Thank you for your interest in membership at Clovelly Country Club! Clovelly offers you more than a beautiful golf course and clubhouse. We have a welcoming Clovelly Community, a rich history to be proud of and values of integrity and compassion.

You are welcome to speak to our Membership Consultant or Golf Manager for an introduction to our Club and for the breakdown of our membership fees.

Please note that our financial year starts in October. Members joining after the 1st of April will pay the full amount initially, but will receive a non-refundable pro-rate credit for the balance of your subscriptions and clubhouse fees on your next invoice.

If you are a parent, please ask about our Legacy Membership!
